

ASSEMBLY INSTRUCTIONS

Marcus Floor Lamp

Item # TOB1147

INSPECT ITEM CAREFULLY BEFORE ATTEMPTING TO INSTALL. IF THERE IS ANY DAMAGE OR OBVIOUS DEFECT, DO NOT INSTALL. ITEM MAY NOT BE RETURNED ONCE IT HAS BEEN INSTALLED.

1. Join lamp pole (F), lamp base (G) together by tightening washer (H) and nut (J) to threaded rod on bottom of lamp pole (F). Tighten with wrench (M) provided.
2. Thread rod (D) into top threaded opening of part (E).
3. Remove finial (A) from rod (B), place lamp shade (not included) over top threaded section of rod (B) and secure with finial (A).
4. Insert light bulbs (not included) into sockets.
5. Remove plastic cover (L) from electrical plug (K).
6. Plug lamp into wall outlet.

ADJUSTMENT INSTRUCTIONS:

1. Loosen knob (C) found on lamp stem.
2. Adjust lamp height by pulling or pushing rod (B) up or down to desired height.
3. Tighten knob (C).

***Clean with a dry, soft cloth only. Use no harsh abrasives or chemical agents.
