

ASSEMBLY AND INSTALLATION INSTRUCTIONS

L0007 / L0008

WARNING: TO AVOID RISK OF ELECTRICAL SHOCK, BE SURE TO SHUT OFF POWER BEFORE INSTALLING OR SERVICING THIS FIXTURE.

NOTES: 1. Before installing, consult local electrical codes for wiring and grounding requirements.
2. READ AND SAVE THESE INSTRUCTIONS.

Hardware Package (included):

Installation Steps

1. Squeeze the harp and fix into the retainer then lock with sleeves.
2. Attach the shade to the harp, and secure with the finial.
3. Install a bulb (not included). Check relamping label at socket area or packaging for maximum allowed wattage.

NOTICE: Purchase 3-way bulb with **50W / 100W / 150W**.

 **VAXCEL**
